

Update - COVID-19 Precautions

- Beginning July 6, our cart rental policies and rates change as follows:
 - Two riders from the same household may share a cart without face coverings.
 - Two riders not from the same household may share a cart and are required to wear face coverings while in the cart together. Players are responsible for self-policing this policy.
 - Single rider carts are available at the single cart rate for people uncomfortable riding with another person.
 - Four (4) single rider carts will be allowed per foursome, when necessary and available.
 - Carts are available on a first-come, first-served basis. Cart availability is not guaranteed and cannot be reserved or requested in advance.
 - *Players requiring accommodation for a disability may request a golf cart at the time of booking or by calling the golf shop 24 hours in advance.*
 - Please be prepared to walk if a cart is not available. Pushcarts are available to rent.
- Single rider carts can be rented at the following rates, effective July 6:
 - 18 holes: Non-member - \$30. Member - \$27.
 - 9 holes/twilight: Non-member - \$20. Member - \$18.
- Dual rider carts can be rented at the following rates, effective July 6:
 - 18 holes: Non-member - \$20 per rider. Member - \$18 per rider
 - 9 holes/twilight: Non-member - \$13 per rider. Member - \$11.50 per rider.
- Public Range and Practice Facility access is open for anyone. Only \$11 for 45 minutes and \$21 for all-day range and par-3 options will be sold. Any public guest will only be allowed a 45-minute practice window before they need to leave or visit another practice area. With the \$21 deal, guests can come back and hit more balls for another 45-minute window after they have left the range to do something else. We have 18 total spots set up on the range with 8 spots reserved for players warming up before their tee-time and the other 10 spots for public paying guests and range members. All guests must adhere to Social Distancing and Face Covering guidelines. The maximum number of golfers on each practice green is 10 at a time.
- Range Hours: Hours of operations for the public range are 5:30 am to 7:00 pm, and the academy range from 7:00 am to 7:00 pm.
- The golf shop is open for check-in and merchandise sales. A maximum of SIX golfers is allowed in the shop at any one time. We strongly encourage you to use our app to reserve tee times and remotely check-in and pay. The system works really well, and we're thrilled to see so many guests use it. Thank you.

- We need a favor from all our guests. Face coverings must be worn in the golf center or when interacting with our staff. This is for your protection as well as other guests and our staff. We will continue to enforce this policy until the City changes its COVID-19 guidelines. GVR will not provide masks to guests.
- Do not touch the flagstick and the flagstick must always remain in the cup. The cups are modified, allowing players to hole their ball but eliminate the need to touch the flagstick or cup when retrieving the ball. You may still post scores using the USGA's recommended most likely score guidelines.
- Rental pushcarts and rental clubs are available for rent.
- You must book your tee time online or by calling the golf shop at 303-371-3131. All tee time reservations are made for walking with the option of adding a golf cart. Any existing tee time reservation can be edited to add a cart. Walk-ups not allowed.
- Online pre-payment through the GVR App, or over the phone pre-payment/check-in is encouraged for all players. Payments can be made online for normal rack rates only. All other rate types must be processed by calling the golf shop at 303-371-3131. GVR Members can remotely check-in online through the GVR App.
- 9-Hole Par 3 Course is open for walking only.
- Mandated Social Distancing guidelines must be adhered to in the parking lot, on the golf course, and around all buildings, including the Golf Center, Ebert's, and Starter House. Please don't assemble as groups before, during, or after your rounds.
 - No handshakes and high fives.
 - Maintain a minimum of 6' social distancing everywhere.
 - Do not pick up or use other player's clubs and golf balls.
- Please arrive no earlier than 30 minutes before your tee time and meet the starter on Hole #1 of the 18 Hole Course when your group is called. Please maintain the minimum 6' social distancing from the starter and all players **AT ALL TIMES**. Scorecards and pencils are available, but we strongly suggest downloading our Green Valley Ranch Golf Club App located in the App store. The app has a digital scorecard to keep your scores and GPS for yardage. Tee time intervals are expanded to 10 minutes to further comply with mandated social distancing orders.
- Staff levels are reduced and appropriate to facility activity (i.e., less staff when possible to limit possible exposure). Course Rangers will be monitoring golfers on the course to ensure social distancing and assisting with any player needs.
- Water coolers have been removed from the golf course, so please be prepared with your own pre-filled water bottle if needed. To-Go food & beverage orders are available for purchase.
- Bunker rakes, ball washers, and water buckets have been removed from the golf course. Feel free to play preferred lies.
- Frequent hand washing is advised and bring your own hand sanitizer if needed.

- If you are feeling sick, stay away until you are healthy.

Our highest priority continues to be the health and safety of all guests and staff who come to GVR. We appreciate your support and adherence to these unprecedented rules and restrictions and your business. We want everyone to stay safe and healthy so you can play and enjoy more golf. GVR Golf Club staff will be strictly enforcing the safety guidelines. Guests that cannot adhere to or respect the guidelines will be asked to leave without a refund. We'll keep you updated as changes occur and thank you for your patience.
