

## Update April 16<sup>th</sup> – COVID-19 Precautions

Below is a summary of how the Public Health Orders (last update as of Wednesday, April 14<sup>th</sup>, 2021) from the City of Denver impact golf operations at Green Valley Ranch Golf Club.

We are currently at Level Blue. This means:

- **Inside golf course buildings**
  - All guests are to wear a mask, and staff also unless their office door is closed, or they are eating or drinking.
  - Golf Shop will operate up to 75% capacity.
  - Ebert's Terrace can operate at 100% capacity as long as 6' distancing is maintained.
  - Limit inside gatherings and meetings to a maximum of 10 people.
  
- **Outside on golf course property**
  - All guests are not required to wear a mask. All GVR staff are to wear a mask if physical distancing (at least six feet or more between individuals) cannot be maintained between each other – this includes the parking lot, staging area, practice areas, golf course, etc. If staff and guests are physically distanced from each other or eating/drinking, masks do not have to be worn. We encourage staff and guests not to huddle or get close to each other unless they have a mask on. Wear a mask and converse if you cannot physically distance.
  
  - Wash your hands frequently. All restrooms on the course are supplied with hand sanitizer.
  
- GVR staff will be diligent regarding compliance and are obligated to ask guests to adhere to our policies to ensure GVR stays safe, compliant, and open.

Thank you for your support and cooperation.

## Golf Cart Rental Policies and Rates

- Our cart rental policies and rates are as follows:
  - Golf Cart fees are inclusive of a half-cart (one seat), not the entire cart itself.
  - Single rider carts are available at an additional fee (see below) for people uncomfortable riding with another person.
  - Carts are available on a first-come, first-served basis. Cart availability is not guaranteed and cannot be reserved or requested in advance.
  - Please be prepared to walk if a cart is not available. **Push-carts** are available to rent for **\$7**.
- **Single rider carts** can be rented at the following rates:
  - **18 holes: Non-member - \$40. Member - \$36.**
  - **9 holes/twilight: Non-member - \$26. Member - \$23.**
- **Dual rider carts** can be rented at the following rates:
  - **18 holes: Non-member - \$20 per rider. Member - \$18 per rider.**
  - **9 holes/twilight: Non-member - \$13 per rider. Member - \$11.50 per rider.**
  
- Public Range and Practice Facility access is open for anyone. The fees for the driving range are \$12 for 45 minutes, \$18 for 90 minutes, and \$25 for all-day range and par-3 option. All guests must adhere to physical distancing guidelines.
- The golf shop is open for check-in and merchandise sales. We recommend using the official GVR app to reserve tee times and remotely check-in and pay.
- Do not touch the flagstick and the flagstick must always remain in the cup. The cups are modified, allowing players to hole their ball but eliminate the need to touch the flagstick or cup when retrieving the ball. You may still post scores using the USGA's recommended most likely score guidelines.
- Rental Clubs are available for \$50 and come with one sleeve of balls (subject to availability each day).
- You must book your tee time online or by calling the golf shop at 303-371-3131. All tee time reservations are made for with cart-inclusive pricing. If you are walking, simply let the golf shop know upon check-in.
- 9-Hole Par-3 Course is open for walking only.
- Mandated social distancing guidelines must be adhered to in the parking lot, on the golf course, and around all buildings, including the Golf Center, Ebert's, and Starter House. Please do not assemble as groups before, during, or after your rounds.
  - No handshakes and high fives.
  - Maintain a minimum of 6' physical distancing everywhere.
  - Do not pick up or use other player's clubs and golf balls.
- Please arrive no earlier than 60 minutes before your tee time and meet the starter on Hole #1 of the 18 Hole Course when your group is called. Please maintain the minimum 6' physical distancing from the starter and

all players **AT ALL TIMES**. Scorecards and pencils are available, but we strongly suggest downloading our Green Valley Ranch Golf Club App located in the App store. The app has a digital scorecard to keep your scores and GPS for yardage.

- Staff levels are reduced and appropriate to facility activity (i.e., less staff when possible to limit possible exposure). Course Rangers will be monitoring golfers on the course to ensure physical distancing and assisting with any player needs.
- Water coolers have been removed from the golf course, so please be prepared with your own pre-filled water bottle if needed. Ebert's Restaurant is open and can supply TO-GO orders.
- Frequent sanitizing of all high touch areas is performed throughout the day.
- Ball washers and water buckets have been removed from the golf course. Feel free to play bunkers as preferred lies.
- Frequent hand washing is advised, and all restrooms are equipped with hand sanitizer.
- Please return your golf cart to the cart return area as soon as possible upon completing your round so our staff can disinfect properly and make the cart available for the next guest.
- If you are feeling sick, stay away until you are healthy.

*Our highest priority continues to be the health and safety of all guests and staff who come to GVR. We appreciate your support and adherence to these unprecedented rules and restrictions and your business. We want everyone to stay safe and healthy so you can play and enjoy more golf. GVR Golf Club staff will be strictly enforcing the safety guidelines. Guests that cannot adhere to or respect the guidelines will be asked to leave without a refund. We will keep you updated as changes occur and thank you for your patience.*

*Golf can be a peaceful refuge from all the uncertainty and unsettling news. If you choose to play, we are here for you. We wish everyone good health and good luck.*
